TO WHOM IT MAY CONCERN

20th May, 2008

Dear Sir,

We are writing to certify that Wan Kau Engineering Services Ltd. has been working with us over twenty years. During the years of collaboration, we found Wan Kau is always keeping professional attitude to ensure high quality services are provided for the client. We also appreciate their timely completion on the following environmental projects within this few years:

1. Enclosed cooling system of our processing plant to eliminate odour emission to the environment.
2. Waste grease treatment to recover useful resources and reduce grease trap waste disposal.
3. Installation of heat exchangers to recover waste heat energy and reduce the diesel consumption.
4. Modify the office lighting system to reduce the electricity consumption without affecting the luminance of the office environment.

Wan Kau is a reliable contractor and playing an important role to our success on winning the 2006 Eco-business (SME) Grand Award from the Environmental Campaign Committee and we would like to recommend Wan Kau to any other companies.

Yours faithfully,

Victor Chan

Chief Engineer
